ABOUT SLRA

SLRA is a frontline community organisation established in 1991 which supports refugees, asylum seekers and migrants in crisis in South London. We provide specialist legal advice and holistic casework to enable people to regularise their immigration status, access rights and entitlements and move on from destitution. Every year we provide support directly to over 1,000 migrants in the London Boroughs of Lambeth, Merton, Croydon, Wandsworth, Southwark and beyond. Our support gives marginalised people access to justice and the opportunity to build a safe, stable and positive future.

Our services are shaped by our organisational values of Kindness, Agency, Inclusion and Respect, ensuring that our work remains person-centred and impactful. Our vision here at SLRA is of a community where migrants are welcomed and valued. Our trauma-informed and strengths-based approach to our clients and our work with them enables us to build trusting and strong relationships with local migrant communities and individuals.

SLRA recognises the strength and power of diversity, promotes equity and inclusion, and challenges racism and discrimination. Our staff team reflects these values and we encourage applications from people of all backgrounds. People with lived experience of the impact of the UK immigration or asylum systems are particularly encouraged to apply to join our team.
